KNOW ALL MEN BY THESE PRESENTS:
That The Lost Creek Company, a Partnership, Owners of all lots in The Hills of Lost Creek Section I, a subdivision in Travis County, Texas, according to the map or plat of said subdivision of record in Volume 76, Page 36, of the Travis County Plat Records, hereby imposes the following covenants, conditions and restrictions upon all of said lots in said The Hills of Lost Creek Section I, save and except Lot 1, Block C, to-wit:

1. None of said lots shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any of said lots other than one detached single family dwelling with a minimum two car garage.

2. No building wall or other structure shall be erected or placed on any of said lots in The Hills of Lost Creek Section I, nor shall any existing structure be altered, until the building plans and specifications and a plot plan have been submitted to and approved in writing by an Architectural Control Committee composed of Edward R. Rathegeber, Nelson Puett, T. H. Worthington, or their heirs or assigns or representatives, designated in writing by the Architectural Control Committee or their heirs or assigns. Refusal of approval of plans and specifications by the Architectural Control Committee may be based on any grounds, including, but not limited to, purely aesthetic grounds, which in the sole and uncontrolled discretion of the Architectural Control Committee shall seem sufficient.

3. Careful attention shall be given by the Architectural Control Committee to all proposed improvements which will be placed on lots with slopes exceeding 20%. Particular caution will be requested so as to minimize filling and cutting of the natural terrain. In many instances, it is contemplated that the Architectural Control Committee may require "pier and beam" type foundation for said improvements in lieu of standard "slab on grade". In any event, said requirement shall be at the sole discretion of the Architectural Control Committee.

4. No house or other structure shall remain unfinished for more than one year after the same has been commenced. Construction of the residential improvements shall begin no later than two years after ownership of the lot has been legally transferred from Lost Creek Developers or from Lost Creek Company.

5. The Architectural Control Committee shall have the right to waive any and all of the restrictions and may from time to time amend the same.

6. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 1800 square feet for a one-story dwelling, nor less than 1250 square feet for a dwelling of more than one story.

7. No building shall be located on any of said lots nearer to the front lot line or nearer to the side street line than the minimum building set-back lines shown on the recorded plat. In any event, no building shall be located on any of said lots nearer than 25 feet to nor farther than 35 feet from the front lot line, or nearer than 10 feet to any side street line; except, however, minor variations of the maximum set-back line shall be permitted to allow for preservation and utilization of existing trees or views. No building shall be located nearer than 5 feet to an interior lot line, except that any garage or other permitted accessory building located 50 feet or more from the minimum building set-back line may be 3 feet from the lot line. No dwelling shall be located on any of the interior lots nearer than 25 feet to the rear lot line. For the purposes of this covenant, eaves, steps and open porches shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon any other lot.

8. No dwelling shall be erected or placed on any of said lots having a width of less than 50 feet at the minimum building set-back line nor shall any dwelling be erected or placed on any of said lots having an area of less than 12,000 square feet, except that dwellings may be erected or placed on lots as shown on the recorded plat of The Hills of Lost Creek Section I. No lot in the subdivision may be

resubdivision so as to create more than one building site.

9. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear 7.5 feet of each lot in The Hills of Lost Creek Section I.

10. No noxious or offensive activity shall be carried on upon any of said lots, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No clothes line may be visible from any public street. No unsightly or elaborate antennae for receiving and/or transmitting television and/or radio signals will be allowed, excepting this restriction is not to be construed to prohibit the smaller conventional television rooftop antennae for normal viewing purposes.

11. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any of said lots at any time as a residence either temporarily or permanently. No recreation vehicle larger than an ordinary van and no trailer, camper or other mobile-type home may be parked openly in the street, driveway or at any such place that may be seen from the street or by adjoining property owners for a period of more than 36 hours.

12. No sign of any kind shall be displayed to the public view on any of said lots except one professional sign of not more than five (5) square feet advertising the property during construction and sale periods.

13. No oil drilling, oil development, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any of said lots, nor shall oil wells, tanks, tunnels, mining excavations, or shafts be permitted upon or in any of them. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained, or permitted upon any of said lots.

14. No part of any of said lots shall ever be used for a business or commercial purpose or for carrying on any trade or profession.

15. No corner lot may be subdivided or used so as to permit an additional dwelling to face on a side street.

16. No animals, livestock or poultry of any kind shall be raised, bred, or kept on any of said lots, except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.

17. None of said lots shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

18. No fence, wall, hedge, or shrub planting which obstructs sight lines at elevations between two and six feet above the roadways shall be placed or permitted to remain on any corner lot herein described within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of street lines, or in the case of rounded property corner, from the intersection of the street property lines extended. The same sight line limitations shall apply on any of said lots within ten feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient heights to prevent obstruction for such sight lines.

19. No fence, wall or hedge shall be built or maintained forward of the front wall line of any house erected on any of said lots. No existing dwelling shall be moved onto any lot in this subdivision.

20. All fences shall be made of wood.

21. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for period of thirty (30) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots in The Hills of Lost Creek Section I, has been recorded, agreeing to change such covenants, conditions and restrictions in whole or in part.

1-66-6J53

22. Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

23. Invalidation of any one of these covenants by judgment of a court order shall nowise affect any of the other provisions, which shall remain in full force and effect.

24. Notwithstanding anything to the contrary, none of the above restrictions shall be applicable to Lot 1, Block C. It is contemplated that Lot 1, Block C will be conveyed to the Lost Creek Municipal Utility District for use by the District for District purposes.
